

Literacy for Learning, Living, and Leading in Georgia (L4GA Grant)

Professional Development and Training

Teacher Created Materials offers professional development solutions designed to support the effective and immediate implementation of your L4GA Grant. Teachers will actively engage with the resources and learn how to integrate them into current classroom instruction with best practices and effective strategies.

Professional Development training is available for Early Childhood, Intervention, and Literacy topics to support your L4GA Grant recipients. Our training features sought-after presenters and rich, practical content. Our highly qualified team will work with key school and/or district-level representatives to tailor trainings that help build teacher capacity and increase student achievement.
